

August 17, 2020

Dear Friends,

We are continuing our winning streak with COVID! We continue to be COVID-free, with no new cases of COVID among our Residents and staff!

This coming week, Indiana Department of Health (ISDH) will be testing all staff as a precautionary measure in the prevention of COVID. We continue to be vigilant in the face of the growing number of COVID cases in our county.

Thank you for all your support. Please know our gratitude and prayer that you and your families are safe and Covid free as well.

God bless you,

Sr. Francis Gabriel, lsp
