

September 14, 2020

Dear Friends,

After a beautiful September weekend, I am happy to report that we have no new cases of COVID-19 among the Residents and staff.

This is a result of the vigilance and dedication of everyone here at the Home. The only thing that offsets the challenges of each day is knowing that we have so far been successful in preventing COVID-19 from affecting our Residents.

Have a blessed week, staying safe.

God bless,

Mother Francis and all the Little Sisters of the Poor
