

September 21, 2020

Dear Friends,

We continue to win the ongoing battle with the Coronavirus. I am pleased to report that there are no new cases of Coronavirus – even with the testing of all staff these past two weeks.

The longer we can prevent exposure to the virus, the greater the outcome all the way around. Our 'new normal' life at the home grows on you after a while, and I think we are all coming to appreciate the little, subtle blessings of life, friendships and blessings from God.

Please pray for a special need for more staff. We would like to reinforce our numbers here, but it has become very challenging in long-term care, one of the many lingering effects of Covid. If you know anyone who would like to work in our kitchen, our dining rooms, in housekeeping, or nurses and nurse's aides, please send them our way.

Have a wonderful week, staying safe.

God bless,

Mother Francis  
and all the Little Sisters of the Poor
