Dear Friends,

We are pleased to report that we remain COVID-Free! With the high numbers of COVID around us, we remain vigilant to protect our Residents and the home from the virus.

One new caregiver who was orienting was diagnosed with COVID-19, but had not been in the Home for over 2 weeks, so there was no exposure to anyone in the Home. That employee will not return to work until they have tested negative for COVID.

We pray that you and your loved ones remain safe during these challenging days.

God bless you!

Mother Francis and all the Little Sisters of the Poor
