Dear Friends,

We are happy to once again report that we are Covid free. I applaud our staff who are working so diligently to prevent the spread of Coronavirus in the home. Last week as well, we were visited by the Indiana State Health Department (ISDH) infection control survey team. We are pleased as well to let you know we passed the survey without any deficiencies.

As you may have heard, this past Saturday Sr. Marthe de Ste. Elisabeth returned home to God. Sr. Marthe's condition had slowly been declining the past two years. Although we miss her warm smile and her energetic presence among us, we are happy she is now enjoying her Eternal Reward for all the labor and love she has shared with many of us since her arrival in Indianapolis in 1995.

Thank you once again for your continued support. We hold you all in a special place in our prayers, that you and your loved ones remain safe in the face of the pandemic among us.

God bless you,

Mother Francis and all the Little Sisters of the Poor
